

15 November 2022

10:00-15:00

Thon Hotel Bristol Stephanie, Av. Louise 91, Brussels

Zero Emission Buildings & REPowerEU How to decarbonise heating and cooling?

AGENDA

9:30-10:00	<i>Welcome coffee and registration</i>
10:00-10:10	Welcome and opening Catalin Lungu, REHVA President
SESSION 1	
Achieving healthy Zero Emission Buildings with the EPBD	
10:10-10:25	Accelerating building decarbonisation with an ambitious EPBD review Cristian-Silviu Buşoi, MEP (EPP), ITRE Chair
10:25-10:45	Zero emission buildings in the EPBD review Paula Rey-Garcia, Deputy Head of Unit, DG Energy, Unit B2, Buildings and Products
10:45-11:05	IEQ and primary energy aspects in zero emission buildings and deep renovation Jarek Kurnitski, REHVA TRC Chair, Taltech
11:05-11:20	Life cycle carbon emission requirements in the French regulation Benjamin Haas, Regulatory Affairs Director, ENGIE
11:20-11:40	Zero emission buildings and green building certification schemes Ursula Hartenberger, Secretary General, Climate Positive Europe Alliance
11:40-12:00	Q&A
12:00-13:00	<i>Networking lunch</i>
SESSION 2	
REPowerEU and building decarbonisation. The path between dreams and reality.	
13:15-13:30	REPowerEU and demand reduction in the building sector Andrew Murphy, Head of Buildings & Industry, ECOS
13:30-13:45	Role of Ecodesign & energy labelling in decarbonising HVAC products Philippe Riviere, Policy Officer, DG Energy, European Commission
13:45-14:00	Decarbonisation and deep energy renovation of buildings Tomasz Cholewa, PZITS, REHVA Building decarbonisation Task Force chair
Expert panel: Can we phase-out fossil fuels in heating & cooling?	
Moderator: Anita Derjanecz, REHVA Managing Director	
14:00-14:50	Short statements & discussion on the feasibility and readiness to ban fossil fuels in heating and cooling Panellists Ilari Aho, Vice President - Sustainability & Regulatory Affairs Uponor UPONOR/EHI/WGBC Céline Carré, President, EuroACE Tomasz Cholewa, PZITS, REHVA Building decarbonisation Task Force chair Henk Kranenberg, Senior Manager Daikin Europe Philippe Riviere, Policy Officer, DG Energy, European Commission Christian Schauer, Director - Water Competence Centre, Viega
14:50-15:00	Closing remarks
