

# 20 years of European Certification of HVAC&R products

## EUROVENT CERTIFIED PERFORMANCE

**EUROVENT CERTITA CERTIFICATION** is a major European certification body in the field of HVAC-R, operating 35 certification programs and generating about € 9 million in turnover. Eurovent Certita Certification is offering various certification schemes tailored to the needs of manufacturers and stakeholders on their specific markets. It focuses on certifying product performances as well as data needed to implement regulations. The main quality marks currently proposed are the marks “Eurovent certified performance”, NF, CSTBat, and the European Keymark.

On a market ever more demanding in terms of energy performances and environmental challenges, Eurovent Certita Certification is fit for supplying

certified data at a European level and providing the needed confidence on the playing field.

With this special issue of REHVA Journal we welcome the opportunity to present you 20 years of third party performance certification expertise and know-how, applied to more than 400 manufacturers, 35 HVAC-R product ranges and more than 100 000 product references.
